INDEPENDENT AUDITOR'S REPORT

To,
The Members of
MANGLAM BUILD-DEVELOPERS LIMITED

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying Standalone Ind AS Financial statements of MANGLAM BUILD-DEVELOPERS LIMITED ("the Company"), which comprise the Balance sheet as at 31st March 2021 and the statement of Profit and Loss (Including other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone Ind AS financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS" and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st2021, the Profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of 'the Acts' as referred herein below and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Attention is invited to Note No. 3.10 of the financial statements stating the matters/facts about proceedings under the Prohibition of Benami Property Transactions Act, 2016, as amended (PBPT Act) and Note No. 3.16 regarding the contingent liability/consequences, which may arise pursuant to proceedings under the said Act.

Other Matters

We draw attention to the fact that selling rates offered to customers under various real estate transactions are market driven and exposed to variation on case to case basis.

Other Information other than the Standalone Ind AS Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's Report including Annexures to Board's Report, Management Discussion & Analysis and other company related information, but does not include the standalone Ind AS financial statements and our auditor's report thereon. The Other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Ind As financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind As financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions, if required.,

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind As and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

MUNDHRA RATHI & ASSOCIATES

CHARTERED ACCOUNTANTS

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

CHARTERED ACCOUNTANTS

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) order, 2016 ("the order) issued by the Central Government in terms of section 143(11) of the act, we give in "Annexure 1" a statement on the matters specified in paragraph 3 and 4 of the Order
- 2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to Standalone Ind AS financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure 2".
 - g) With respect to the other matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Ind As Financial Statements. Refer **Note No. 3.16** of the Standalone and As Financial Statements;

CHARTERED ACCOUNTANTS

ANNEXURE 2 TO THE AUDITORS' REPORT

Referred to in our report of even date to the members of MANGLAM BUILD-DEVELOPERS LIMITED on the Standalone Ind AS Financial Statements for the year ended 31 March 2021

Report on the Internal Financial Controls with reference to Standalone Ind AS Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Standalone Ind AS Financial Statements of MANGLAM BUILD DEVELOPERS LIMITED ("the Company") as on 31st March 2021 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Ind AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Office: 512, Apex Mall (IV Floor), Lalkothi, Jaipur - 323015

Phn.: 0141-4112253 Email: Skr@mraa.co.in

MUNDHRA RATHI & ASSOCIATES

CHARTERED ACCOUNTANTS

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to Standalone Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial control with reference to Standalone Ind AS Financial Statements included obtaining an understanding of internal financial control with reference to Standalone Ind AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Standalone Ind AS Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Ind AS Financial Statements

A Company's internal financial control with reference to Standalone Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Standalone Ind AS Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Ind AS Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Standalone Ind AS Financial Statements may

CA

MUNDHRA RATHI & ASSOCIATES

CHARTERED ACCOUNTANTS

become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Ind AS Financial Statements and such internal financial controls with reference to Standalone Ind AS Financial Statements were operating effectively as at 31st March 2021, based on the internal controls over financial reporting criteria established by the Company considering the components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAL

Significant Accounting Policies and Notes On Finacial Statements

1.1 Company Info

Manglam Build Developers Limited ("the company") is a public limited company domiciled and incorporated in India. The registered office of the company is si uated at 6th Floor, Apex Mall, Tonk Road, Jaipur, Rajasthan (302015). The principal business activity of the company is Real Estate Development. The company has its presence in the states of Rajasthan, Goa and etc. Having charted a long and exciting road to success in Rajasthan, The MANGLAM BUILD-DEVELOPERS LIMITED has today carved out a niche for themselves in the real estate industry and is the trendsetter in creating world-class landmarks in Rajasthan. The innovative ar proach of the company has given new dimensions to the real estate market of Rajasthan. It has brought to the customer quality and comfort at affordable prices justifying Manglam as another name for value for money. The projects commissioned by Manglam are a symbol of precision, international quality and perfect arralgamation of functionality and aesthetic. Each project is an edifice in itself, attribute to modern architecture symbolizing the fusion of mystic past and grand future.

1.2 A) Basis of Preparation/Statement Of Compliance

The Standalone Financial Statements have been prepared on accrual basis in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Indian Accounting Standards), as applicable to the standalone financial statements.

The standalone financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the standalone financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities which have been measured at fair value (refer accounting policy regarding financial instruments). The financial statements are presented in Indian Rupees (Rs.) in Lakhs.

B: Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

A 1 asset is current when it is:

- · Expected to be realized or intended to be sold or consumed in normal operating cycle;
- · Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- · Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A 1 other assets are classified as non-current.

A liability is current when:

- · It is expected to be settled in normal operating cycle;
- · it is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- · There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

A 1 other liabilities are classified as non-current.

Deferred tax assets/liabilities are classified as non-current.

C) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the result of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Significant estimate used by the management in the preparation of these financial statements include computation of percentage completion for projects in progress, project cost, revenue and saleable area, estimates of the useful lives of Property Plant and Equipment, provisions for bad and doubtful debts.

Di. Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all periods presented in the financial statements. The Company has elected to utilize the option under Ind AS 101 by not applying the provisions of Ind AS 16 & Ind AS 38 retrospectively and continue to use the previous GAAP carrying amount as a deemed cost under Ind AS at the date of transition to Ind AS. Therefore, the carrying amount of property, plant and equipment and intangible assets as per the previous GAAP as at 1 April 2016, i.e; the Company's date of transition to Ind AS, were maintained on transition to Ind AS.

1.3. Property, Plant and Equipment

1.3.1. Initial recognition and measurement

An item of property, plant and equipment is recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Items of property, plant and equipment are initially recognized at cost. Subsequent measurement is done at cost less accumulated depreciation and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

When parts of an item of property, plant and equipment have different useful lives, they are recognized separately.

1.3.2. Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The cc sts of the day-to-day servicing of property, plant and equipment are recognized in profit or loss as incurred.

1.3.3. Derecognition

Property, plant and equipment is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of ar item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

1.3.4. Depreciation/amortization

Depreciation on Property Plant and equipment of the Company is charged to the Statement of Profit & Loss on straight-line method as per Schedule II of the Companies Act, 2013 taking into account the useful life of the asset as given in the schedule.

Maril Some

1.4.Intangible Assets

An intangible asset is recognized if and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company ard the cost of the asset can be measured reliably. Subsequent measurement is done at cost less accumulated amortization and accumulated impairment losses. An intangible asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of intangible assets are determined by comparing the proceeds from disposal with the carrying amount of intangible assets and are recognized inthe statement of profit ard loss. Software is amortised on WDV considering best estimate of its useful life as provided in Indian Accounting Standard-38 with Nil residual value. The Company provide pro-rata depreciation from/to the date on which the asset is acquired or put to use/disposed as appropriate.

1.5. Inventories

Inventories are valued at the lower of cost or Net Realisable value. Cost comprises of those cost that relates directly to a specific project or cost that can be attributed to the project activity in general and can be allocated to specific projects. Net Realisable value is the estimate of selling price in the ordinary course of business, less estimated cost of completion and the estiamated costs necessary to make the sale. Stock comprises of Land, Land development and construction work in progress. Relatable progress payment in proportion to progress of the project has been deducted in arriving the value of total inventory and Booking money received in ac vance due to application of Ind AS-115.

1.6. Cash and Cash Equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

1.7. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A) Financial Assets - Initial recognition and measurement.

Financial assets are recognised in the company's Financial Statements when the company becomes a party to the contractual provisions of the instrument. All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are at ributable to the acquisition of the financial asset.

B) Financial assets –Subsequent measurement

(i) Financial assets measured at amortised cost

Debt instruments at amortized cost

- A 'debt instrument' is measured at the amortized cost if both the following conditions are met:
- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the EIR (Effective interest rate) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to Loans, Security Deposits, trade and other receivables.

Trade receivables do not carry any interest further the trade receivables are reduced to the extent of the Unearned Revenue based on Percentage Of Completion.

Equity Investments at amortized cost

In accordance with Ind AS-101 and Ind AS-27, Investments made by the company in subsidiaries, joint ventures and associates has been measured at cost in the Standalone Financial Statements of the company.

Equity Investment at Fair Value through Profit and Loss

Financial assets at fair value through profit and loss include Investment in Partnership Firms.

(ii) Financial assets - Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- 'The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
- (a) the Company has transferred substantially all the risks and rewards of the asset, or
- (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

C) (i) Financial liabilities -Initial Recognition and Measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, borrowings, payables. All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trude and other payables, Security Deposits, borrowings including bank overdrafts, financial guarantee contracts.

D) Financial liabilities -Subsequent measurement

Financial liabilities at amortized cost

After initial measurement, such financial liabilities are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the profit or loss. Interest bearing loans and borrowings including Non-current Security Deposits are subsequently measured at amortised cost using the effective interest rate method (EIR).

Financial liabilities - Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by arother from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

1.8. Revenue Recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods and services before transferring them to the customers.

1.3.1 Revenue from Contracts with Customers

Pursuant to the application of Ind AS 115 - 'Revenue from Contracts with Customers' effective from 1 April 2018, the Company has adopted Ind As 115 with modified retrospective approach, applied to the contracts that were not completed as of 1 April 2018 and therefore, the comparatives have not been restated and continue to be reported as per Ind As 18 "Revenue" and Ind As 11 "Construction Contracts". The details of accounting policies as per Ind As 18 and Ind As 11 are disclosed separately if they are different from those required under Ind As 115.

pho

188 × (

Maria Som

all I

Revenue is measured at the fair value of the consideration received/ receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government and is net of rebates and discounts. The Company assesses its revenue arrangements against specific criteria to determine if it is acting as principal or agent. The Company has concluded that it is acting as a principal in all of its revenue arrangements.

Revenue is recognised in the income statement to the extent that it is probable that the economic benefits will flow to the Company and the revenue and costs, if applicable, can be measured reliably.

The Company has applied five step model as per Ind AS 115 'Revenue from contracts with customers' to recognise revenue in the standalone financial statements. The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- a) The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
- b) The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- c) The Company's performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payment for performance completed to date.

Revenue is recognised at a Point in Time w.r.t. sale of real estate units, including land, plots, apartments, commercial units, as and when the control passes on to the customer which coincides with handing over of the possession to the customer.

In the comparative period:

- (a) Revenue from construction/development projects is recognized on the "Percentage of Completion (POC)" method of accounting. Such revenue is recognized when the stage of completion of the project reaches a reasonable level of development (not less then 25% of construction and development cost) and no significant uncertainty exists regarding the amount of consideration that will be derieved from the real estate sales, i.e. it is not unreasonable to expect ultimate collection of revenue from buyers. It is also ensured that all significant risks and rewards of ownership are transferred to the buyer and no effective control of the real estate to a degree usually associate with the ownership is retained.
- (b) Sale consideration receivable/received is recognized as revenue on the basis of percentage of actual project cost incurred (including land) to the total estimated development and construction cost of such project, i.e., cost already incurred and yet to be incurred. Balance, i.e., proportion represented by percentage of incomplete work is considered as unearned revenue. Relatable amounts which are appearing both under receivables and unearned revenue (i.e. over and above POC) are netted off so as to depict correct value of total receivables and unearned sales.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes, duties or other charges collected on behalf of the government/authorities.

1.8.2 Basis of Quantification of Revenue & related Cost:

- (i) The estimates of the saleable area and cost are reviewed periodically by the management and any effect of changes in estimates is recognized in the period where such changes are determined.
- (ii) Cost of construction/development is charged to the Statement of Profit and Loss proportionate to the revenue recognized as above, in consonance with the concept of matching cost and revenue.
- (iii) Where total project cost is estimated to exceed total revenue from the project, the loss is recognized immediately on principle of prudence. Loss is also recognised immediately in respect of stocks salebale at subsidised rates under the government schemes.
- (iv) Amount payable to development or improvement authorities in respect of development works to be carried by them are recovered from buyers on estimated cost bεsis. Difference, if any on completion of project would be recognized as an expenses or income in the year of such completion.

1.9. Employee Benefits

- i) Short term employee benefits are recognized as an expense at the undiscounted amount in the Statement of profit and loss of the year in which the related service is rendered. Employee benefits such as PF, family pension, ESI etc. are treated as defined contribution plan and contributions are charged to Statement of Profitand Loss when contributions to the respective funds are due.
- ii) Post employment and other long term employee benefits are recognized as an expense in the Statement of Profit & Loss of the year in which the employee has rendered services and treated as defined benefit plans. The expenses are recognized on the assumption that such benefit are payable at the end of the year to the el gible employees.

1.10. Leases

1.10.1 Recognition:

The Company's Lease Asset classes primarily consist of Leases for Land and Buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the co assesses the whether:

(i) the contract involves the use of an identified asset

- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (shortterm leases) and low value leases. For these shortterm and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, ifnot readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

1.10.2 Accounting for

(i) Operating Leases

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating lease. Payments made under operating leases are recognised as an expense over the lease tenn.

(ii)Finance Lease

Leases of Property, Plant and Equipment where the Company, as lessee has substantially all risks and rewards of ownership are classified as finance lease. On initial recognition, assets held under finance leases are recorded as Property, Plant and Equipment and the related liability is recognised under borrowings. At inception of the lease, finance leases are recorded at amounts equal to the fair value of the leased asset or, if lower, the present value of the minimum lease payments. Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability.

John

Mrs Some Contraction of Report

The Company as a Lessee

1.11. Taxes

(i) Current Tax

Income-Tax expense comprises current tax and deferred tax charge or credit. Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year.

(ii) Deferred Tax

Deferred tax is recognized by providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the arrounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax is recognized in profit or loss except to the extent that it relates to items recognized directly in OCI or equity, in which case it is recognized in OCI or equity.

Deferred tax liabilities are not recognized for temporary differences between the carrying amount and tax bases of investments in subsidiaries and interest in joint arrangements where the company is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets are not recognized for temporary differences between the carrying amount and tax bases of investments in subsidiaries and interest in joint arrangements where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilized.

1.12. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

- a) the Company has a present, legal or constructive obligation as a result of a past event.
- b) a probable outflow of resources is expected to settle the obligation and
- c) the amount of the obligation can be reliably estimated.
- d) Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually certain that the reimbursement will be received. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects of trent market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Cor tingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Contingent liabilities are disclosed on the basis of judgment of the management/independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Contingent assets are possible assets that arise from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are disclosed in the financial statements when inflow of economic benefits is probable on the basis of judgment of management. These are assessed continually to ensure that developments are appropriately reflected in the financial statements.

1.13. Earnings Per Share

The basic earnings per share (EPS) and Diluted Earning per share is calculated by dividing the net profit or loss for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

1.14. Impairment of Non-Financial Assets

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS 36 'Impairment of Assets'. If any such indication exists, then the asset's recoverable amount is estimated. The recoverable amount of an asset is the higher of its fair value less costs to disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. There are no external/internal indicators which lead to any impairment of assets during the year.

1.15. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction or development of the projects (qualifying assets) are accounted for as part of the cost of such assets in the ratio of capital employed in the respective project. A Qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are straightaway charged to Statement Of Profit and Loss.

1.16 Cash Flow Statement

Cash flow statement is prepared in accordance with the indirect method prescribed in Ind AS 7 'Statement of Cash Flows

* ** Overdrawn balance in F.Y. 2020-21 Rs 195.05 Lakhs in Ashiana Manglam Builders and Rs.687.09 lakhs (PY Rs.723.03 lakh) in Rangoli Developers in which company is entitled to certain preferential payment of the profits termed as preferential profits. Also refer Note no 2.4. These balances are in respect of partnership firms in which company is a partner and considered as other current liability.

**Statutory Liabilities includes disputed Service Tax of Rs. 271.54 lakhs (PY Rs. 271.54 lakhs) and indeterminable labour cess of Rs. 844.9 lakhs (PY Rs. 783.57 lakhs) and GST Reversal of Rs 245.02 lakhs (PY Rs. 279.11 Lakhs). See Note below:-

2.26.1. A search was conducted by Service tax department (DGCEI DZU New Delhi) on 21.05.1714 and certain documents, papers etc have been impounded by the department. Considering prudence, the company accounted the liability of service tax on 'Sale of Villas of Rs. 271.54 Lakhs during FY 2013-14 and paid Rs.200 Lakhs against such liability under protest. DGCEI Adjudication Cell, DZU, New Delhi vide letter dated 29.09.2016 created demand of `1,023.58 Lakhs (including a penalty of Rs. 357.27 Lakhs) and applicable interest. The Company has disputed the said demand and filed an appeal with Appleant Tribunal, CESTAT dated 03.10.2016 and the matter is remanded back to the adjudicating authority by Honourable CESTAT. The company further has filed a writ petition before Honourable Rajasthan High Court and the same is pending for hearing before High Court. The comapny has made provision of Rs 271.54 lakhs during 2013-14 against the said liability.

2.26.2. Pending quantification of actual payable liability (except in case of certain projects where assessment got completed and due cess has been paid), the company holds an Adhoc provision of Rs. 844.9 lakhs as at 31.3.2021 (Rs. 783.57 lakhs as at 31.3.20) against Cess payable under the provisions of Building and other Construction Workers Welfare Cess Act, 1996. The company is in process of quantification of the liability payable in respect of various ongoing projects.

3.6 Financial Risk Management

The Company's Financial Risk Management is an integral part of how to plan and execute its business strategies. The Company's financial risk management is set by the Managing Board. The Company's principal financial liabilities comprise loans and borrowings, trade payables and other payables. The main purpose of these financial liabilities is to finance the company's operations. The company's principal financial assets include trade & other receivables and cash and short term deposits. The company also holds equity investments in its subsidiaries.

The Company's business operations are exposed to various financial risks such as liquidity risk, market risks, credit risk, interest rate risk, funding risk etc. The Company's financial liabilities mainly includes borrowings taken for the purpose of financing company's operations. Financial assets mainly includes trade receivables, investment in subsidiaries/joint venture/associates and loans to its subsidiaries.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Trade receivables, Financial assets, etc Instruments financial assets measured at Amortised cost and cash & cash equivalents.		Credit limits, Escrow Cover, Prefer nationalized bank for deposit. Customers credit risk is minimised, generally by receipt of a certain sale consideration before handing over of possession and/or transfer of legal ownership rights.
Liquidity risk	Borrowing, Trade Payables and other Financial liabilities	Rolling cash flows forecast	Availability of committed credit lines and borrowing facilities. Regularly monitoring cash outflow projections.
Market risk, Interest rate risk	Long-term Borrowings at variable rates since the company does not enter into interest rate swaps.	Interest Rate Sensitivity analysis, Cash Flow Analysis	Different kinds of loan arrangements with varied terms (eg. Fixed, floating interest rate, etc.)& having balanced portfolio of Fixed Rate and Variable Rate Borrowings.

Market Risi

Market risk is the risk that future cash flows will fluctuate due to changes in market prices i.e. interest rate risk and price risk. The company tries to forseethe unpredictable nature of Financial market and seek to minimise potential adverse impact on its financial performance.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's fixed rate borrowings are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind As 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates. The Company is exposed to interest rate risk arising mainly from long term borrowings with floating interest rates. The Company is exposed to interest rate risk because the cash flows associated with floating rate borrowings will fluctuate with changes in interest rates. The Company manages the interest rate risks by entering into different kinds of loan arrangements with varied terms (eg. fixed, floating interest rate, etc)

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

		(Amount in lakhs)		
Particulars Effect of Profit or Loss				
	31st March 2021	31st March 2020		
Interest sensitivity				
Interest rates - increase by 100 basis point (31 March 2018: 100 basis point)	(89.02)	(99.36)		
Interest rates - decrease by 100 basis point (31 March 2018: 100 basis point)	89.02	99.36		

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers and hand over the possession or transfer the legal ownership rights generally after receipt of sales consideration.

Liquidity Risk

Liquidity risk is the risk that the company will encounter difficulty in meeting the obligations associated with its financial liabilities. The objective of liquidity risk is that the company has sufficient funds to meet its liabilities when due. The Company, regularly monitors the cash outflow projections and arrange funds to meet its liabilities.

Total	904.00	1.884.00

3.7 Capital Management

For the purpose of capital management, capital includes equity capital, share premium and retained earnings. The Company maintains optimal capital structure to minimize the cost of capital. The Company monitors its capital management by using a debt-equity ratio, which is total debt divided by total capital.

l		[Amount in lakins]
Particulars	As At 31-03-2021	As At 31-03-2020
Total Debt	16,976.42	21,322.09
Equity	37,045.78	35,740.56
Debt Equity Ratio	0.46	0.60

3.8 Fair Value Hierarchy:

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are :

(a) recognised and measured at fair value and

(b) measured at amortised cost and for which fair values are disclosed in financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table:

					(Amount in la
Financial assets and liabilities measured at fair value As at 31 March 2021	Level 1	Level 2		Level 3	Total
Financial Assets:					
Investment in Partnership Firms		-	-	26.63	26
Total		-	•	26.63	26
Financial assets and liabilities measured at fair value- recurring fair value measurement as at 31 March 2020	Level 1	Level 2		Level 3	Total
Financial Assets:	L				
Investment in Partnership Firms		-		27.67	27
Total		-	·	27.67	27

Fair Values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows

Level 1: This level includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques, which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. This level includes mutual funds which are valued using the closing NAV.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

There have been no transfers in either direction for the years ended 31 March 2021 and 2020.

In the opinion of the company, the current assets and loans & advances are of the value as stated in the accounts, if realized in the ordinary course of business.

3.10. Manglam Build-Developers Limited received various notices under section 24(2) of the Prohibition of Benami Property Transactions Act, 1988, as amended (PBPT Act), on 7th August, 2017 and on 22nd February, 2019. Through the said notices certain agricultural lands (with initiation of process for ultimate conversion to non-agricultural purposes for sale) a xquired as inventories by the company before 1st November 2016, were provisionally attached under section 24(3) of the PBPT Act. The said notices have been received in respect of total 55.89 hectare(upto PY 55.89 hectare) of land acquired by the company in earlier years. The approximate saleable area in respect of such land under inventory, has sen a rived at 289168 Sq. Yards(upto PY 289168 Sq. yards), out of which 182295 Sq. Yards(upto PY 181995 Sq. yards) of land has already been sold by the company.

ne company had approached the hon'ble high court of Rajasthan and filed a writ petition under article 225 of the constitution challenging the validity of said notices. The Single Bench of Hon'ble High Court of Rajasthan has given its final order on 12/07/2019 deciding the various writ petitions, which includes petition filed by the Company, where in Hon'ble ourt observed that provisions of Prohibition of Benami Property Transactions Act, 2016 are prospective in nature and asked the concerned authority to check whether the alleged variations pertains to period before 01/11/2016 or afterwards. The court has further stated that if transactions pertains to period before 01/11/2016, then the provisions of Prohibition of Benami Property Transactions Act, 2016 are not applicable.

Prohibition of Benami Property Transactions Authority have filed an appeal with Double Bench of Hon'ble Rajsthan High Court challenging the aforesaid order dated 12.07.2019 nd till date there is no stay order against the judgement given by Single Bench of Rajasthan High Court. Company has also verified the notices of the department independently prom the sale deeds of land acquired and found that each and every transaction of land acquisition pertains to period prior to 01/11/2016.

nereafter the Hon'ble High Court of Rajasthan vide in order dated 26th August 2020 has stayed the operation of the order passed by single bench of Hon'ble High Coun of Irrajasthan dated 12th July 2019.

nereafter the company approached Hon'ble Supreme Court and filed am application for intervention. The said application for intervention was allowed by the Hon'ble Supreme court vide order dated 13.09.2021. Thus the matter is pending with Hon'ble Supreme Court

3.17. Standards issued but not yet effective:

Ministry of Corporate Affairs (MCA) has notified the following standards / amendments which will come into force from 1 April 2020:

(a) Ind AS 1, Presentation of Financial Statements and Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Error:

Refined definition of term 'material'

Consequential Amendments made to other Ind AS: Ind AS 8 'Accounting Policies, Change in Accounting Estimates and Errors'

Ind AS 34 'Interim Financial Reporting

Ind AS 37 'Provisions, Contingent Liabilities and Contingent Assets

Ind AS 10- Non-Adjusting Events after the Reporting Period

(b) Ind AS 103, Business Combinations:

Revised definition of a 'business' and introduction of an optional concentration test to permit a simplified assessment of whether an acquired set of activities and assets is not a

(c) Ind AS 109, Financial Instruments:

Modification to some specific hedge accounting requirements to provide relief to the potential effects of uncertainty caused by the interest rate benchmark (IBOR) reform

(d)Ind AS 116, Leases:

Practical expedient which permits lessees not to account for COVID-19 related rent concessions as a lease modification.

The Company is evaluating the requirements of the above amendments and the effect on the financial statements.

Due to outbreak of Covid-19 globally and resultant lockdown in many countries and in India, the Company has made initial assessment of likely adverse impact on economic environment in general and financial risks on account of COVID-19. The Company is primarily engaged in the business of sale of real estate units and it resumed its operations after lifting of lockdown with implementation of several initiatives like work from homes, social distancing and other safety measures with minimal work disruption. As per the current assessment of the situation based on the internal and external information available upto the date of approval of these financial statements, the company believes that there will be no material impact of Covid-19 on its business, assets, internal financial control, profitability and liquidity, both present and future. The company will closely monitor any material changes to the economic environment and their impact on its business in the times to come.

3.19 Disclosure as per Ind As 115, "Revenue from Contracts with Customer"

3.19.1. Nature of Goods and Services

The revenue of the company comprises of sale of real estate/ constructions and sale under joint venture agreements. The following is the classification of principal activities.

Product / Service	Nature & timing of satisfaction of performance of obligations	T
	Nature & timing of satisfaction of performance of obligations	Significant payment terms
Sale of Real Estate Units	Handing of possession of real estate units to the customer	Progressive Payments

3.19.2. Disaggregation of Revenue

In the following table, revenue is disaggregated by type of product and services, geographical market and timing of revenue recognition:

(Amount in lakhs)

3.19.3. Reconciliation of Revenue Recognized with Contract Price

	(Amount in lakhs)			
Particulars	As at 31 March, 2021			
Contract Price	17.021.53			
Adjustments for-				
Rebates	_			
Revenue Recognised	17,021.53			

3.19.4. Contract Balances

(a) Contract Assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

(b) Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised which is referred as "Booking Money Advance". Contract liabilities are recognised as revenue when the Company performs under the contract.

The following table provides information about contract assets and contract liabilities:

(Amount in la							
Particulars	As at 31	As at 31 March, 2021		As at 1 April, 2020			
	Current	Non - Current	Current	Non - Current			
Trade Receivables	2,342.02		2,656.40	-			
Contract Liabilities - Booking Money Advance	12,706.95	-	9,740.91	-			

Thene has been no significant changes in unbilled revenue and advances from customers during the year ended 31 March, 2021

3.19.5. Practical expedients applied as per Ind AS 115

(a) The company has not disclosed information about remaining performance obligations that have originally expected duration of one year or less and where the revenue recognised corresponds directly with the value to the customer of the entity's performance completed to date.

(b) The company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds only year. As a consequece, the company has not adjusted any of the transaction price for the time value of money.

(c) The company has not incurred any of the incremental costs of obtaining contracts with a customer and therefore, not recognized an asset for such costs
